

I'm Paul Heller, I'm a first year studying Philosophy and my fun fact is that my left arm is shorter than my right. I am running for school rep because education and how it's structured is something that I am interested in. I want to make sure everyone is able to make the most of what Cambridge has to offer, especially in terms of how supervisions and lectures work. I will be a good faculty rep because I already spend too much time on the Sidgwick site anyway, I will take your minor (and major) gripes unreasonably seriously and because I will focus on representing you. A vote for Paul is a vote for (some) change!
