My name is Nnaemeka Obodoekwe, I am currently studying an MPhil in Advanced Computer Science. It will be an honor and a great privilege to be your student representative to the Council of the School of Technology, for the 2020 calendar year.

What are our priorities and what will I aim to change?

Increasing Access:

- Create a framework that will help the drive to increase the number of Women and Black and Minority Ethnic group in the department.

Democratize the Student Representative System:

- Enhance transparency and communication in the entire student rep initiative.
- Create a framework for reps to gather and deliver information from & to students.
- Improve representation for postgraduate on academic matters.

Facilities:

- Campaign for the recording of lectures and make them accessible via moodle.
- Unbounded study packs for disabled students.
